water weather prevaining all this week, the series of activities was shifted to central Park, the home grounds of the Keystones.

With the arrival of Washington, Weinesday night, all of the regular infielders are now in training. By the 27th the entire roster of players will be in training, with the single exception of Corbett, who writes from his home in Orlando, Fla., that it will be impossible for him to leave before the 25th.

Owing to difficulties encountered in watching a large number of players in training, the Keystone manager will have only sixteen players report.

Of hist year's team who have been

# PRICE BULLETIN

Now \$1,195 Now \$1,395 Touring Car

WITH its clean, racy body lines, ebony trimmed. its handsome top with gypsy curtains and plate glass rear window, the Dixie Flyer fivepassenger Touring Car, Model 70, includes mechanical refinements that denote unusual skill in engineering and offer the user much comfort and satisfaction. It is correctly designed, amply powered and is rich in the possession of those characteristics which inherently constitute car value. Of medium weight it is economical to operate-low in gasoline consumption and high in tire mileage. It is highly finished in optional colors-Oriental green, blue or

### Roadster

THE Dixie Roadster is a two-passenger car mounted on the same chassis as the five-passenger Touring Car. A distinctive designlow body and graceful rear deck, gives it that appearance of great utility and serviceability-the outward expression of its mechanical excellence. Like other Dixie Models, the Roadster has a full complement of convenient equipment which makes driving easy and untiring. It is furnished in durable finishcolor option being the same as that of the Touring Car.

Sport Models Speedster - Sport Touring

THE Sport Models, Speedster and Sport Touring, complete the Dixie Flyer family, crowning with distinction the efforts of Dixie Engineers.

These cars, constituting the latest acquisitions to the Dixie line, are true sport models. They reflect the ideas of invigorated, red-blooded youth; characterized by individualism without a trace of freakish-

The Speedster is a two-seater that is given a racy appearance by special body design, lowering of seats and inclining steering column and windshield. It is equipped with removable, collapsible top which is stored in the dust and weather-proof rear compartment when not in use.

The Sport Touring is a fivepassenger car of surprising roominess with low-hanging, one-man top jutting over the sloping, nickel-trimmed windshield. A design that satisfies the ultra fashionable and yet. a car in which the family of modest taste feels at home.

Both Speedster and Sport Touring are elaborately provided with special equipment that beautifies and contributes to the exceptional car value in Dixie Sport Models. Aluminum steps of attractive design are substituted for the conventional running board. Upholstery of beautiful, hand-buffed Spanish leather is used throughout. The windshield,

radiator, bumper and ventilators are nickeled trimmed. These models are elegantly finished in optional colors-blue. maroon, burnt orange or Oriental green.

# Now \$1,895 Sedan

THERE is elegance, quiet dignity, comfort and usefulness in the Dixie Flyer Sedan. Graceful lines distinguished hood and cowl and are carried out consistently through the entire design. Upholstered in rich blue broadcloth, decorated by three frosted globes and hardware of Adam period design; deep resilient cushions-all are characteristic of Dixie Closed Models. The easily adjustable windshield and windows make it posible to enjoy the free vision and unrestricted fresh air of the open car.

### Coupe

THE Dixie Flyer Coupe is mounted on the identical chassis used for the Sedan and is equipped with the same high class mechanical units and refined fittings. It is admirable for women of taste and for business or professional men. Classed as a regular three-passenger car, it is equipped with an auxiliary seat which folds under the cowl. It will carry four passengers. The bodies of both Sedan and Coupe are finished in elegant Mallard blue, the lamps and fenders are highly finished in hard black enamel.
